

EDUCATION FIRST, ATHLETICS SECOND COALITION

The mission of Education First, Athletics Second Coalition (EFASC) is building strong relationships through education, recreation, and positive interaction between adults and youth

Our communities need your help to keep our youth safe, active, and alive!

Please help EFASC continue to provide a safe and fun environment for youth to learn and grow in.

Your donation to EFASC will help EFASC continue to provide quality educational, health, and fitness programs to at-risk urban area youth.

When we keep our youth involved in positive activities and programs we create safe communities for them to live in!
